**If you don’t meet the assured admissions requirements, we may consider additional factors in the admissions process. If we require additional documentation, we’ll request those materials from you.

Admission requirements and deadlines are different for international students. For more information, visit uh.edu/international.

HOW DOES UH CALCULATE MY GPA?
We will calculate your cumulative GPA for all transferable college-level courses from all schools attended. For repeated courses, grades from all course attempts will be used for calculation of cumulative GPA. We do not count developmental coursework. The cumulative GPA is for admission purposes only and will not transfer to your UH GPA.

WHAT TYPE OF COURSE CREDIT TRANSFERS TO UH?
Transfer credit is awarded for college-level courses—completed with a C- or better—at regionally accredited colleges and universities.

WILL MY CREDITS APPLY TO MY MAJOR?
Every major has a "Transfer Equivalency Guide," outlining which of your previous courses will transfer over as University of Houston credit and as credit to your specific major. Find your major’s guide at uh.edu/transfer-guides.

For more information on transferable credit or advising assistance, please contact the Transfer Advising Program (TAP) at (832) 842-4632.

HOW LONG WILL IT TAKE TO COMPLETE MY DEGREE PROGRAM?
On average, transfer students complete their bachelor’s degree in 1-2 years. Use our transfer guides to start mapping your degree plan.
