

Allied Health Professions Society

Introduction

Hi everyone! We are so sad that we are unable to meet future members in person, but we hope everyone is staying safe and healthy during this time. We hope that this presentation gives you a better understanding about Allied Health, the professions that it offers, and what we as a club can do to help you achieve your goals in college.

What is Allied Health?

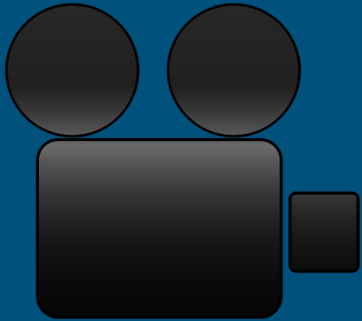

The term “allied health” applies to a group of diverse health care professionals who perform essential work and collaborate with those in medicine, dentistry, and nursing. Advantages working as an Allied Health care professional is consistent employment, professional development, and personal fulfillment.

What are examples of Allied Health Professions? (Not all careers are listed)

- Physician Assistant
- Physical Therapist & Physical Therapy Assistant
- Occupational Therapist & Occupational Therapy Assistant
- Dietitians and Nutritionists
- Athletic Trainer
