What I've gained from BSU is a chance to meet great people from many different backgrounds who have similar goals. My experience in BSU was helpful in getting my internship with KBR at NASA's Johnson Space Center!

-Melyssa Navarro
Computer Information Systems Major

BSU has helped me grow as an individual! They gave me confidence and resources I needed as well as giving me long time friends!

-Lorena Zelaya
Finance & Marketing Major

This organization has helped me improve my public speaking and leadership skills through the great workshops and people that make up this org.

-Hurig Kalustian
Supply Chain Management & Finance Major

What I have gained from BSU is a second family. The environment is so inviting and friendly and we really all do care for one another. It's always a good time when I see my BSU family.

-Asma Mashal
Psychology Major

WHAT HAVE YOU GAINED FROM BSU?

I've been able to develop new friendships and learn valuable advice to move forward in my professional career.

-Leslie Velasquez
Supply Chain Management Major

BSU has given me the opportunity to learn and gain hands-on experience in my field. I am very lucky to have a group of people that I can call family that trust/believe in my vision as much as I do.

-Yazmine White
Marketing Major

Before I joined this org, I had no clue how to use LinkedIn. After my first semester I made many helpful connections that helped me nail my first internship!

-Mai Abushaaban
Finance Major

BSU gave me unconditional support to better myself for my future career.

-Ghislen Garica
Supply Chain Management & Marketing
