

ACM-W

COUGARETTES

MISSION

“Cougarettes is committed to fostering a diverse and inclusive culture and works to increase women’s participation in computing and technology.”

OUR PURPOSE

- To provide a network of support among women as they pursue their degree and to build the confidence needed in their professional career
- To help them develop skills because of the competitions offered
- To create a physical space on campus where students can meet peers, collaborate, communicate, and destress

SERVICES

- Cougarettes seeks to provide support to students through:
 - Recruiting Events
 - Info sessions
 - Tech Talks
 - Hands-On Projects
 - Workshops
- Open to all majors!
