

# Camp Kesem At University of Houston

Join in on the ~Kesem Magic~!

# What is Kesem?

- Kesem is a nationwide community, driven by passionate college student leaders, that supports children through and beyond their parent's cancer.
- Kesem is the largest national organization dedicated to supporting children impacted by a parent's cancer, at NO COST TO FAMILIES. Our innovative and fun-filled programs provide children with peers who understand their unique needs, and create long-lasting impact

# How do we do it?

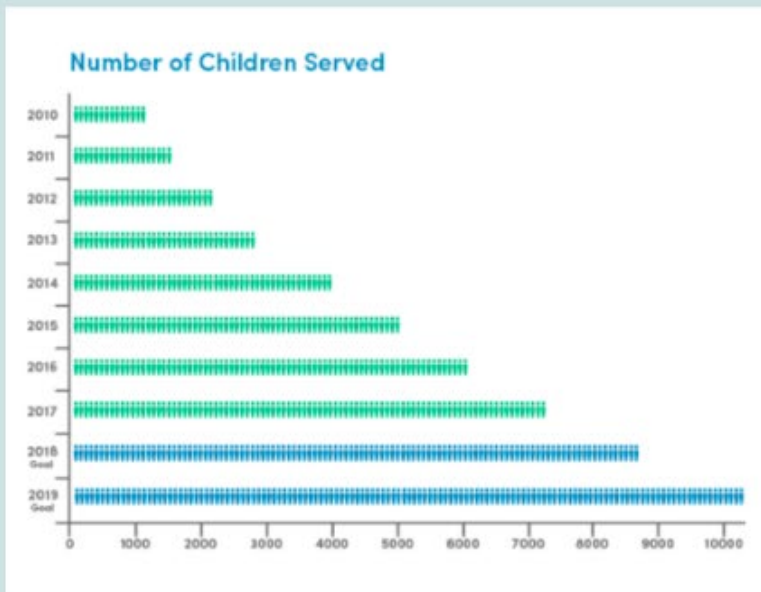

- ~ The power of Kesem comes from empowering passionate college student volunteers to become leaders in their own local communities.
- ~ We are proud to continually invest in training, support, and leadership development opportunities for our student leaders, as they prepare to provide life-changing experiences for our families nationwide.
- ~ Our student volunteers work hard to not only raise awareness of the need for Kesem, but also to fundraise all year round for the upcoming camp sessions!!

# The Need & Our Impact

~ With over 5 million children impacted by a parent's cancer, Camp Kesem must continue expanding to meet this need. Kesem is the largest national organization dedicated to this unique population, and for many children their Camp Kesem experience is a life-changing event-providing them a community of children with similar experiences, and a safe and welcoming environment to have fun and rediscover their childhood.
