International students must also meet English Language Proficiency Requirements by meeting one of the following test score requirements TOEFL(PBT) of 550, TOEFL(IBT) of 79, or IELTS Overall of 6.5. International transfer students may be exempt from submitting a TOEFL or IELTS score by completing 30 or more semester credit hours from a U.S. accredited institution of higher education, including coursework equivalent to UH English Composition ENGL 1301 and ENGL 1302 with a grade of "C" or better and/or the completion of an AA or AS degree from an accredited institution of higher education.

¹PHYS 2125 & PHYS 2126 are required for the Electrical Engineering, Computer Engineering, and Computer Engineering and Analytics majors.

²Electrical Engineering, Computer Engineering, Computer Engineering and Analytics, and Chemical Engineering majors must take ECON 2302; this course also counts for your SBS core requirement.

³UH is partnered with the Houston Community College System, San Jacinto College District, and Lone Star College System. Students at these institutions can complete this requirement with the English course ENGL 2311 (TCCNS). All other transferring students must take the engineering course ENGI 2304 at UH.

⁴Credit for BOTH Linear Algebra and Differential Equations courses will satisfy the MATH 3321 Engineering Math degree requirement.

⁵Credit for ENGR 1304 Engineering Graphics I can be substituted for MECT 3341 Computer Aided Drafting in the Civil Engineering degree plan.

⁶Mechanical majors should take a semester long computer-based drafting course, ENGR 1304 is recommended. This requirement is waived for students who completed one year of mechanical drawing or general drafting in the 10th, 11th, or 12th grade.

***TRANSFER CREDIT LIMIT:**

A maximum of 66 hours (grades C- or better) of 1000/2000 level transfer hours may be applied toward a UH degree. These are the 66 hours that best meet the degree requirements for your UH degree combination (Major, Double Major, Double Degree, and Minor).

- Students who currently attend UH should refer to their departmental advisor **BEFORE** taking courses at another college.
- Courses listed above are **suggested** courses for this degree. Other courses in combination may apply to a degree.
- See department or course catalog for further information on your degree plan.

Texas Undergraduate In-State Tuition Enrollment Cap

Under current rules, Texas resident undergraduate students who enrolled for the first time in a Texas public institution of higher education in fall 1999 or later may be charged a premium tuition rate after they reach an established enrollment cap.
