The Academic Policies and Procedures Committee met November 29, 2006. Committee members present: Charles Peters, Maria Solino, and Rebecca Achée Thornton. At the request of the University Testing Center, MCL has proposed the following change to page 29 in the undergraduate catalog:

Current language:

COURSE	TEST	MINIMUM SCORE	HOURS CREDIT
GERM 3333-3334	Departmental Exam	Determined by Department of German	3-6

Proposed language:

COURSE	TEST	MINIMUM SCORE	HOURS CREDIT
GERM 2331-2332-3333-3334	Departmental Exam	Determined by Department of German	3-12

German has always given credit-by-examination credit for these courses. The German Department section of the undergraduate catalog reads: "Credit may be awarded by examination in courses on the 2000- and 3000- level. For information see the department chair." This new language should be added to the credit by examination section for consistency.

The committee recommends approval of this proposal.
