Re: Schedules
Date: 31 March 2008

RECEIVED APR 15 2008

APPROVED APR 16 2008

Dr. Wyman Herendeen, Chair, requests that the following change in the University of Houston Undergraduate Studies Catalogue be made and that it be implemented as soon as possible so that students who are waiting to receive credit for their Humanities core English class equivalent will be able to graduate in May 2008.

The University of Houston Undergraduate Studies Catalogue currently reads:

English 2397	AP: English Literature and Composition	3	3
--------------	--	---	---

The change should be the following:

English 2301	AP: English Literature and Composition	3	3
--------------	--	---	---
