Subject: Reversal of Unrequested Change in GPA – Spanish Major

On behalf of the Department of Hispanic Studies I am requesting that the change requiring a cumulative 2.5 GPA in Spanish courses for Spanish majors be reversed to the prior 2.0. The intent of the department has never been to have the GPA for Spanish majors at a 2.5. In addition, a 2.0 GPA has remained the continued practice within the Department. We believe that the change from a 2.0 requirement to a 2.5 was done in error, and we ask that this error be corrected.

Please let me know if you need any additional information.

Sincerely,

María Elena Soliño
Associate Professor of Spanish Literature
