Subject: Request for History Department Credit for MCL course

RECEIVED MAR 01 2011  

Date: February 21, 2011

I am writing to ask the department's permission to offer history credit to students in a course I will be teaching fall semester 2011 with Professor Hildegard Glass. (We have, by the way, taught the course several times, frequently with a History cross-listing.) The course title is Tales of Two Cities: Paris and Berlin from 1848-1945 and the course numbers are GERMAN 3362 and FRENCH 3362. The syllabus has already been forwarded to you, as well as the proposed time slot (Wednesdays 2:30-5:30).
