RE: UCC 0051 08S

J. A. K

The University Coordinating Commission forwarded the "Bill to Expand the Powers of the Food Service Advisory Committee (UCC 0051 08S) to the Faculty Senate Committee on Committee (COC) for review. The COC agreed on three points in fashioning its response. First, the Food Service Advisory Committee (FSAC) is advisory to the VC/VP for Administration and Finance. Second, the contract between the University of Houston and Aramark contains provisions for enforcement of items in the contract calling for student input to policy decisions. Therefore, the Committee on Committees suggests that the Student Government Association communicate their concerns directly to the new VC/VP for Administration & Finance, Carl Carlucci, to ensure enforcement of the contract.
