Subject: RE: University Coordinating Commission: Notification of a Proposal UCC 0070 08F

RECEIVED NOV 04 2008

This proposal has been submitted to the appropriate GPSC subcommittee for review, and the matter is still under discussion. However, it was pointed out that the language of the proposal as currently written refers to "students" rather than to undergraduate students specifically. GPSC notes that UC cannot make policies for graduate programs and students. We request that action on this proposal be tabled until GPSC has fully considered the matter or, if it must move forward at this time, that the language in the policy be changed to reflect "undergraduate students" only and specifically.

Cathy Patterson
Chair, GPSC

Just a reminder that the November 7th deadline for responses is coming up\$..

Dear Drs. Antel, Chin, Patterson, and Mr. Dike:

The purpose of the University Coordinating Commission (UCC) is to facilitate discussion throughout the University Community on proposals that have been formulated but not yet approved. The UCC will try to ensure that proposed policies and procedures will be available to those university groups for whom they may be relevant, as quickly as possible.

The Undergraduate Council has submitted a proposal titled Registration Policy, and the UCC has decided that this proposal may be relevant to your group. Please review the attached document and, if relevant, relay your comments and suggestions to the group making the proposal no later than 11/7/08. Copies of dissenting opinion should be forwarded, in writing, to the originator of the policy and the UCC (lrwilliams@uh.edu and ucc@uh.edu) by the date noted above.

Finally, please complete the information below and e-mail it to Marsha Daly, madaly@uh.edu.

Sincerely,

Wynne Chin, Chair
