RECEIVED OCT 31 2008

Hi Marsha,

In support of the Student Government Association's legislation, the university has implemented the Campus Sustainability Task Force. The Task Force has been formed, developed a mission and charter, and has several policy initiatives that will be submitted for general university review in the near future.

Thank you!

Emily

Hi Emily,

I just wanted to let you know that we know that you have implemented a Task Force. The question is for you to check out what the SGA wrote up, see if it is in anyway different and hopefully give us an opinion as to whether you think it is redundant or what the differences might be. The UCC is only a clearing house to let other groups know what is being requested, etc.

So any more detail comments will help us as we later forward it back to the original folks - i.e., SGA. Again, any more thoughts should be sent to Marsha Daly, madaly@uh.edu.

thanks,

wynne

Dear Ms. Messa and Mr. Irvin:

The purpose of the University Coordinating Commission (UCC) is to facilitate discussion throughout the University Community on proposals that have been formulated but not yet approved. The UCC will try to ensure that proposed policies and procedures will be available to those university groups for whom they may be relevant, as quickly as possible.

The Student Government Association has submitted a proposal titled SGA: Bill to Establish the Environmental and Sustainability University Committee, and the UCC has decided that this proposal may be relevant to your group. Please review the attached document and, if relevant, relay your comments and suggestions to the group making the proposal no later than 11/7/08. Copies of dissenting opinion should be forwarded, in writing, to the originator of the policy and the UCC (scdike@uh.edu and ucc@uh.edu) by the date noted above.

Finally, please complete the information below and e-mail it to Marsha Daly, madaly@uh.edu.

Sincerely,

Wynne Chin, Chair
University Coordinating Commission
