Dear Jeanette,

This was initially submitted to UC (UC9980) and was approved as reported on a APP committee report in either Nov or Dec 08. I would submit since we initially reviewed and approved it we still do. How's that?

Best wishes,

Larry

Subject: UCC Document needing UC response

Dear Dr. Williams:

Due to the winter holiday break and the start of the spring semester, replies for UCC 0087 08F were not received by 1/9/09. The UCC is extending its deadline on receiving UC responses to document UCC 0087 08F (Mandatory Advising for Transfer Students) to February 2nd (Friday). Please send your responses to ucc@uh.edu. Thank you.

Regards,
Jeanette
