Hi Marybeth,

No one on my committee had a problem with the earlier UCC proposals, but I would like to discuss this graduate certification policy with the Exec Committee before we pass it along, since we will have Cathy Patterson there to explain its rationale. So please pass along the earlier UCC items (86-89) as approved, with this item as approval pending until the opportunity for discussion.

Thanks,

DM

Dear Dr. Mazella:

Please ask your committee to review the attached UCC Policy and send comments by February 24, 2009 to Dr. Wells, who as President of the Faculty Senate, will transmit to the University Coordinating Commission.

Would you also please copy Amy and/or me so your work can be included in the official FS records?

Thank you,
mbb

Dear Drs. Charlson, Wells, and Patterson:

The purpose of the University Coordinating Commission (UCC) is to facilitate discussion throughout the University Community on proposals that have been formulated but not yet approved. The UCC will try to ensure that proposed policies and procedures will be available to those university groups for whom they may be relevant, as quickly as possible.

The Graduate and Professional Studies Council has submitted a proposal titled **Policy of Graduate Certifications**, and the UCC has decided that this proposal may be relevant to your group. Please review the attached document and, if relevant, relay your comments and suggestions to the group making the proposal no later than February 25, 2009. Copies of dissenting opinion should be forwarded, in writing, to the originator of the policy and the UCC (EMAIL OF CONTACTS and ucc@uh.edu) by the date noted above.

Sincerely,

Jeanette F. Morales
