RECEIVED SEP 29 2009

Mark,

The new PPOC Committee chair will be Mike Thompson (who I have copied on this email).

I am responding as I failed to bring your previous email to the attention of the PPOC Committee and the committee has therefore not had the opportunity to review.

I will say that in general the past few years of PPOC committee members have been very interested in how UH can have sustainability be more of a focus on overall campus decision making and made several recommendations to encourage that.

In general the PPOC is in support of the UCC 0101 09S: 14.01.01 Campus Sustainability Task Force and for UH to be more involved with AASHE and its programs including its STARS program.
