Dr. Charlson,

Other than a typo in UCC 0129 10S in item #3 (If a "student" admits a student to a graduate program...), we have no concerns and support the proposal.

UCC 0130 10S, GPSC 6556, Student reinstatement vs Readmission. Did the committee intend to say "...students who wish to resume studies more than 5 years after they are *originally admitted*"... or did they mean "5 years after they were last enrolled" ? Other than this clarification, we have no concerns and support the proposal.

UCC 0135 10S - Proposal for the use of 5000-level courses. Is UC aware and supportive of this change? When generating a transcript, 5000-level courses taken before this policy (graduate courses) and those taken after this policy (undergraduate courses) must be differentiated. How is the change communicated to other institutions/programs to which our students may transfer? A numbering plan should be developed and communicated to all departments offering 5000-level courses.

Thanks,
Steve

Dear Mr. Soutullo:

The purpose of the University Coordinating Commission (UCC) is to facilitate discussion throughout the University Community on proposals that have been formulated but not yet approved. The UCC will try to ensure that proposed policies and procedures will be available to those university groups for whom they may be relevant, as quickly as possible.

The UCC has submitted proposals titled Use of Post-Baccalaureate Designation, Student Reinstatement vs. Readmission, and Proposal for the use of 5000-level courses (UCC 0129 10S, UCC 0130 10S, UCC 0135 10S respectively), and the UCC has decided that these proposals may be relevant to your group. Please review the attached document(s) and, if relevant, relay your comments and suggestions to the group making the proposal no later than 4/26/2010. Copies of dissenting opinion should be forwarded, in writing, to the originator of the policy and the UCC (ucc@uh.edu) by the date noted above.
