Re: MAPP Quarterly Campus Review (Quarter 2, FY 2012) - Due Friday, March 30, 2012

Dear Marybeth and Jeanette,

Here are my corrections to the MAPP for which I am responsible:

## MAPP 02.04.07; Ethical Conduct of University Employees

General: Throughout the document, the word "university" should be capitalized when it refers specifically to the University of Houston

In Section VI subheadings E and I, the word "insure" should be "ensure".

In the Revision Log on page 6, the content regarding Revision 2 is incorrect. The description of sanctions/failure to comply is in Section VIII rather than Section VI H.

Best regards,

Randy
