Subject: RE: University Coordinating Commission: Certification of UCC 0250 12S (Amendment to the Fresh Start Policy)

Hello Jeanette,

I apologize for the late response, it's been a busy week. We have reviewed the policy proposal – and while I do agree with proposal to only allow prospective/new/transfer students to use the Academic Fresh Start; however, will there still be an avenue for current students who come across hardships or extenuating circumstances to have access to this by petition? Or is there already another policy in place that takes care of current students who have those special situations (i.e. health issues, death in the family, etc.). Thank you!

Sincerely,

Subject: University Coordinating Commission: Certification of UCC 0250 12S (Amendment to the Fresh Start Policy)

Dear UCC Members:

It's time to certify UCC 0250 12S (Amendment to the Fresh Start Policy). This item has been vetted to all appropriate UH campus groups. Campus group comments are posted on the UCC web site (see URL below). There were no dissenting comments. Please let me know if you have any objections/concerns about the certification of this policy. Otherwise, this will be certified to upper administration this afternoon.
