I am responding to the draft of the new tobacco policy, at your request, on behalf of the Substance Abuse Prevention Committee. The Committee had three comments as follows:

1. There seems to be a lack of consequences for violation of the policy, seemingly weakening its impact.
2. There was the impression of the committee that there had been little, if any, advertisement regarding the policy change. The group believes there is a lack of knowledge about the policy among faculty, staff, and students.
3. The Committee believes a strong education component is needed.

Let me know if we can be of further assistance.

Dear Gail:

The purpose of the University Coordinating Commission (UCC) is to facilitate discussion throughout the University Community on proposals that have been formulated but not yet approved. The UCC will try to ensure that proposed policies and procedures will be available to those university groups for whom they may be relevant, as quickly as possible.

The UCC has received the proposal numbered UCC 0299 13S. The UCC has decided that this proposal may be relevant to your group. Please review the enclosed document(s) and, if relevant, relay your comments and suggestions to the group/originator making the proposal (University Policies & Procedures, Peggy Levy, [palevy@uh.edu](mailto:palevy@uh.edu)) and the UCC ([ucc@uh.edu](mailto:ucc@uh.edu) or Jeanette Morales, [jmorales@uh.edu](mailto:jmorales@uh.edu)) no later than **2/25/2013**.

Sincerely,

María Elena Soliño, Chair

University Coordinating Commission
